

## MicroPolx® 1100 Sealed Edge Cleanroom Wiper

### Cleanroom Laundered Polyester Microfiber Knitted Wiper

MicroPolx 1100 is a 100% polyester microfiber sealed edge cleanroom wiper, laundered and packaged in an ISO Class 4 cleanroom. The wiper's microfiber yarn has 3 times the surface area of standard polyester yarns, resulting in a

soft smooth surface and more efficient cleaning performance. Laser cut edges and a proprietary laundering process provide critically low particle and fiber release as well as best-in-class ion and non-volatile

residue levels. MicroPolx 1100 is recommended for sensitive applications in ISO Class 4 (Class 10) and above cleanrooms.
